PLANTING SEEDS FOR THE FUTURE

"Even if I knew that tomorrow the world would go to pieces, I would still plant my apple tree today" - Martin Luther

Share your abundance beyond your lifetime...
Remember Hope in your will!

Congress has enacted several tax laws to encourage charitable giving in 2020. The following may be important to you...and Hope! **The CARES Act Expires on December 31, 2020**

This recently enacted government stimulus bill, the "CARES Act", provides some additional tax relief for donors. This makes it easier to give and save at the same time.

- If you itemize on Schedule A of your tax return, you may deduct charitable gifts of cash up to 100% of your Adjusted Gross Income (AGI). This was previously limited to 60%.
- If you take the standard deduction on your 2020 tax return, you can claim a brand new "above-the-line" deduction of up to \$300 for cash donations to charity that you make this year.
- This Act temporarily waives required minimum distributions (RMDs) from qualified retirement plans and IRAs for the calendar year 2020.

For information about making a planned gift to Hope, please contact Lynn Hendershot, Chair, Legacy Committee: lynn.hendershot@yahoo.com or 410-949-5355

Hope Children Center provides a faith-based environment for children to enjoy before and after school. Our goal is to encourage children to be children! To welcome them to be a part of a loving and safe community. We value character education and we know it's importance. We also offer a Distance Learning Enrichment (DLE) program for working parents who don't have the luxury of staying at home with their children in order to assure that their kids are on task during distance learning. But even more than that we care about kids; about who they are now and who they are becoming. We have 3 BIG values we want every kid to know in our program. Treat Others Right, Make Smart Decisions, and Maximize Their Potential.
